

## **Bundles of Love Fall Fundraiser!**

Mark your calendar! On November 3<sup>rd</sup> we will be holding Bundles of Love's fourth annual fall Fundraiser. This year the event will be held from 10am to 2pm at Brookdale Center.

The event will include:

- Entertainment
- Free continental breakfast for the first 200 attendees
- Silent auction with donations from local businesses
- "Sponsor a Bundle"
- Raffle for a Select Comfort Sleep Number bed.

This event is being designed for family members of any age. Start your holiday shopping early at our silent auction - a wide variety of items for children or adults will be available and come and enjoy the entertainment and good company.

Bundles of Love Charity is a registered 501(c)(3), all-volunteer organization that serves newborn children of families who are in need. Our mission is to provide essential bedding, clothing and care items for newborns in crisis situations while our partner agencies link families to long-term resources as needed. In addition, our scope also includes providing correctly sized clothing for premature infants as small as two pounds, and burial outfits for infants who do not survive.

Bundles of Love works with more than 40 community "partner" agencies, including hospitals, clinics, crisis centers and shelters to provide our services, thus avoiding duplication of efforts and utilizing each other's services for the benefit of babies and their families.

Our goal this year is to help at least 3,500 families and we are on track to increase our donations to over 60,000 items.

We need your help to succeed in reaching our goals! While we receive thousands of pounds of supplies every year, we must purchase supplies such as quilt batting, snaps, and fabric, including soft flannel, which is not donated in sufficient supplies to meet our needs and pay for other expenses, including storage.

Please invite your friends and family and plan to attend this event and Sponsor a Bundle to help families in your community!
