

Sponsor a Baby Bundle

Bundles of Love Charity is a local, all volunteer, non-profit 501(c)3 charity that provides baby clothing and bedding for sick and needy newborn and premature babies. Bundles of essential items are donated to families through local hospitals, women's shelters and clinics. Social workers distribute items to the families that need them the most, often babies who would otherwise leave the hospital with nothing to wear.

In 2006, an average of 200 Bundles of Love volunteers each month collectively gave 55,500 hours of their time at more than 200 volunteer meetings and at home to support the efforts of more than 40 hospitals, clinics and social service agencies in Minnesota in helping families with newborns. More than 55,000 clothing and bedding items were donated to an estimated 3400 families.

We need your help. Monetary donations are needed to continue to fund our efforts, and purchase supplies needed to help even more families in 2007 and beyond. Your contribution can make a difference!
