

Sponsor a Baby Bundle

Bundles of Love is a local, all volunteer, non-profit 501(c)3 charity that makes baby clothing and bedding for sick and needy newborn and premature babies. We donate these in a "bundle" to local hospitals, women's shelters and clinics. The social workers there give them to the babies that need them the most, usually babies that would otherwise leave the hospital with nothing to wear.

In 2007 we donated 66,062 items to an estimated 4,220 families in the Twin Cities area. A 2008 fact sheet has been included with a complete list of all the organizations we partnered with in 2007. We had an average of 250 volunteers every month and together they volunteered 68,979 hours in 2007.
