

Sleep Sack – Single Crochet

By Ruth Volk 2017-06-03

Use 2 strands of worsted weight yarn and size K crochet hook.
I used lots of small balls of yarn to use up excess yarn stash. When one yarn runs out, just tie on a new color and hide yarn tails as you work.

Start with a magic circle (or chain 2 and work the first round into the 2nd chain from hook)

Round 1: Work 6 sc in ring, tighten. Place marker on 1st stitch to keep track of each round. Do not join, just work in the round. (6 stitches)
Round 2: Work 2 sc in each stitch around. (12 stitches)
Round 3: *2 sc in next stitch, sc in next. Repeat from * around. (18 stitches)
Round 4: *2 sc in next stitch, sc in next 2 stitches. Repeat from * around. (24 stitches)
Round 5: *2 sc in next stitch, sc in next 3 stitches. Repeat from * around. (30 stitches)
Round 6: *2 sc in next stitch, sc in next 4 stitches. Repeat from * around. (36 stitches)
Round 7: *2 sc in next stitch, sc in next 5 stitches. Repeat from * around. (42 stitches)
Round 8: *2 sc in next stitch, sc in next 6 stitches. Repeat from * around. (48 stitches)
Round 9: *2 sc in next stitch, sc in next 7 stitches. Repeat from * around. (54 stitches)
Round 10: *2 sc in next stitch, sc in next 8 stitches. Repeat from * around. (60 stitches)
Work on these 60 stitches until the entire sack measures 20 inches in length.
End by working a slip stitch into the last stitch. Cut yarn, hide yarn tails into the work.
Fold down the top edge.
